

24 February - 05 May 2023

RADIUS 4.0

Featuring Alice Boardman, Verity Page and Jaimee Wright, Radius 4.0 presents a group of dynamic artists harnessing their artistic practice to explore endless possibilities, creating meaningful and compelling work. Each artist brings their unique and profoundly considered voice to this exhibition – expressing ideas of place attachment, community history, fragility and feminine strength, commenting on social issues, whilst exploring artistic processes.

Artworks available for sale online
www.thejunctionco.com.au/radius-4.0.

For all sales enquiries please see gallery staff at the front desk.
